Democracy & Voting

Should voting be mandatory, or should citizens have the right not to vote?

Democracy & Voting

Would electronic voting be safer than paper voting?

Democracy & Voting

Should 16-year-olds be allowed to vote, or are they too young?

Democracy & Voting

Is it more important for elections to be fast, or for every vote to be verified?

Democracy & Voting

Should the state encourage voting through rewards, or keep it a personal responsibility?

Democracy & Voting

Should political campaigns be limited by law, or remain free?

Democracy & Voting

Should political parties that threaten national stability be banned?

Democracy & Voting

Should the media access all election processes, or should the state supervise them?

Democracy & Voting

Is it better to have many political parties or a few strong ones?

Rights & Responsibilities

Should freedom of speech be absolute, or should there be limits?

Rights & Responsibilities

Should the right to protest be unconditional, or limited in crises?

Rights & Responsibilities

Is it more important to protect collective interests or individual rights?

Democracy & Voting

Should people have the right to recall elected officials?

Rights & Responsibilities

Should the state ban hate speech, even if it restricts expression?

Rights & Responsibilities

Do citizens have the right not to pay taxes if they disagree?

Rights & Responsibilities

Should the state access private data to ensure safety?

Rights & Responsibilities

Should citizens be penalised for not participating politically?

Rights & Responsibilities

Should all citizens have the same rights, or should they have more responsibilities?

Power & Leadership

Is it better to have one strong leader or multiple parties?

Power & Leadership

Is it more important for a leader to be efficient or democratic?

Rights & Responsibilities

Should minorities receive special protection, or equal treatment?

Rights & Responsibilities

Should the state decide what content can be shared online?

Power & Leadership

Should politicians have term limits, or stay in power with public support?

Power & Leadership

Should leaders always listen to the people, or should they decide what is best?

Power & Leadership

Should the opposition be restricted if it obstructs the government?

Power & Leadership

Should the media be free to criticise the government, or be controlled?

Power & Leadership

Is national stability more important than change?

Society & Inclusion

Should women have mandatory representation, or should representation be based on merit?

Power & Leadership

Should leaders have more power during crises?

Power & Leadership

Should the military influence political decision-making?

Power & Leadership

Should a politician be punished for lying during a campaign?

Society & Inclusion

Should migrants have the right to vote, or only citizens?

Society & Inclusion

Should the state support minorities, or ensure equal opportunities?

Society & Inclusion

Should religious values have greater influence in politics?

Society & Inclusion

Should society limit hate speech, even if it restricts expression?

Society & Inclusion

Should inclusive policies be enforced by law or left to communities?

Society & Inclusion

Should the poor have extra rights, or be equal before the law?

Society & Inclusion

Should the state control social media to maintain order?

Society & Inclusion

Should disability rights be protected by special laws or general equality?

Society & Inclusion

Should the state decide what can be shown in schools?

Should all EU countries have the same laws, or retain sovereignty?

Should the EU sanction countries that violate democratic values?

Should your country have more influence, or equal EU decision-making power?

Should the EU have a joint military force?

Should the EU strengthen border control, or open borders?

Should international sanctions protect human rights, even if they harm the economy?

Should young people have a greater role in EU decision-making?

Should countries keep their own currency, or use a single EU currency?

Should the EU remove national leaders in crises?

Should the state control the media to prevent fake news?

Should journalists have complete freedom, even if it harms the country's image?

Should political advertising be banned on social media?

Should global problems be solved nationally or internationally?

Is it acceptable for a politician to exaggerate the truth for the "greater good"?

Should spreading fake news be punishable by law?

Should the state monitor online communication for security reasons?

Should media outlets be state-owned or private?

Should platforms like Facebook be responsible for user content?

Do young people have enough political power today?

Should schools actively teach political engagement?

Should political satire be restricted by law?

Should the state decide what information is true or false?

Should the state organise youth councils for decision-making?

Should young people spend more time in activism or education?

Is social media a tool for mobilisation or manipulation?

Should voting be digital to appeal to young people?

Do young people have too much or too little influence?

blank

Should every school have a student election council?

Should youth organisations be state-funded?

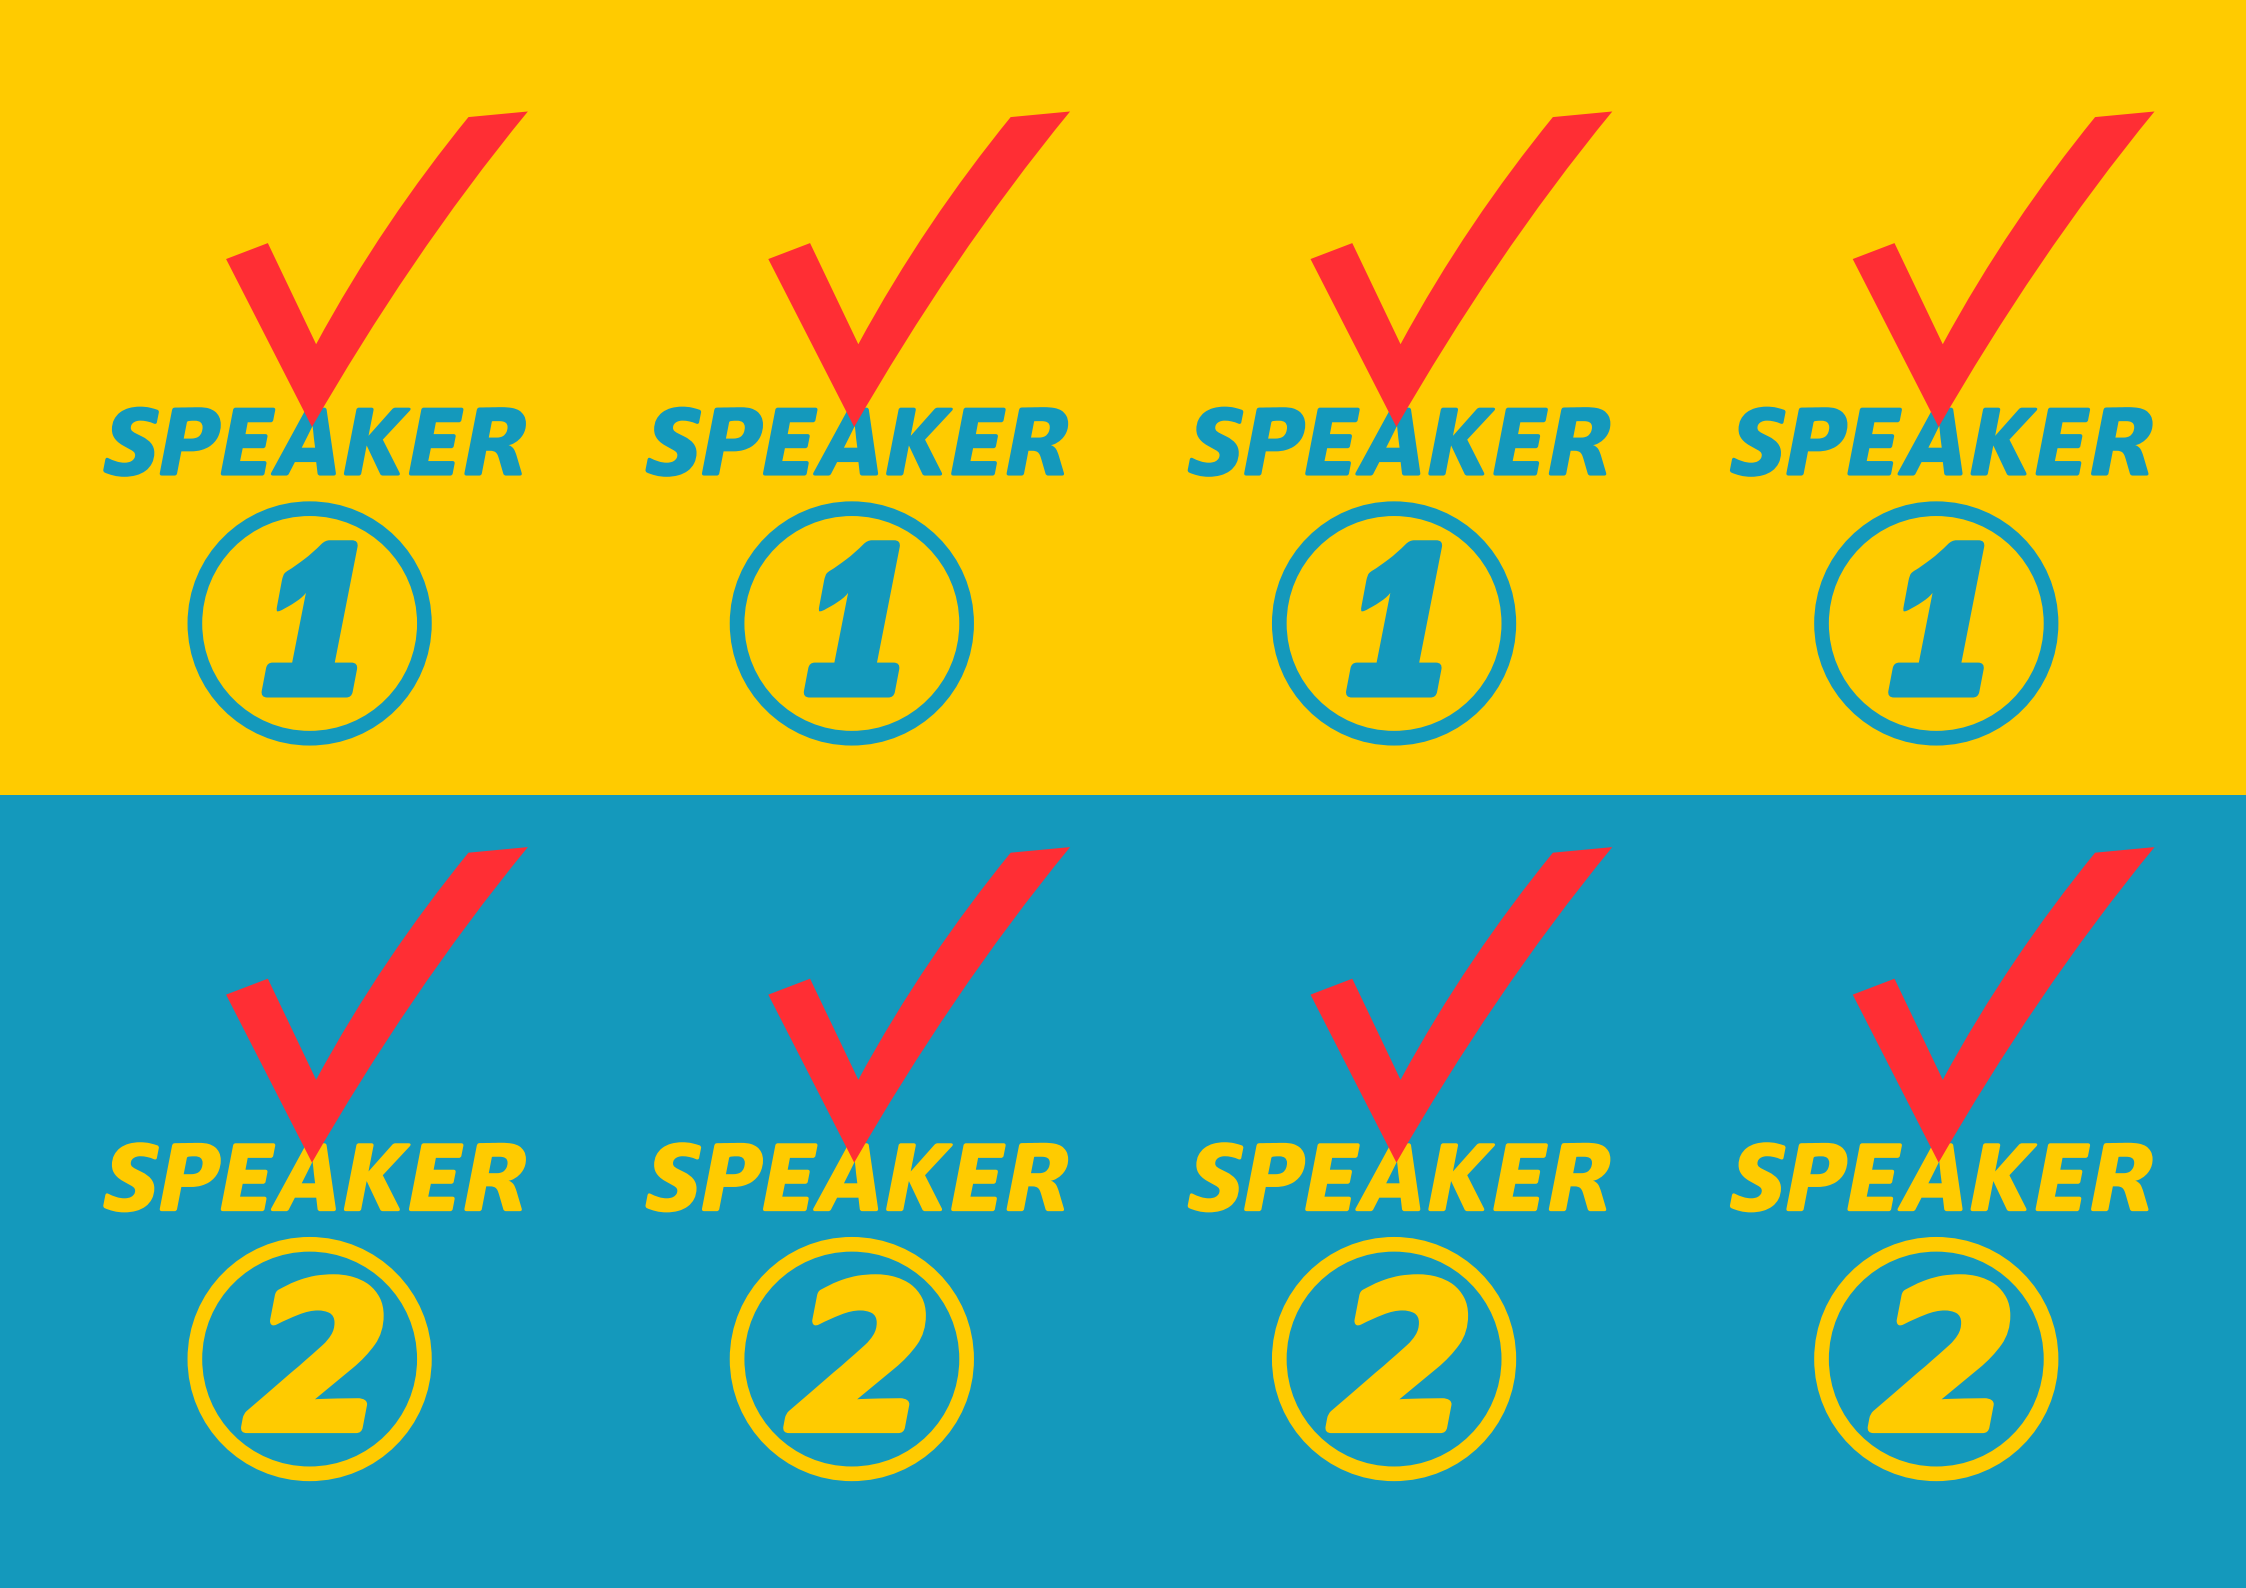

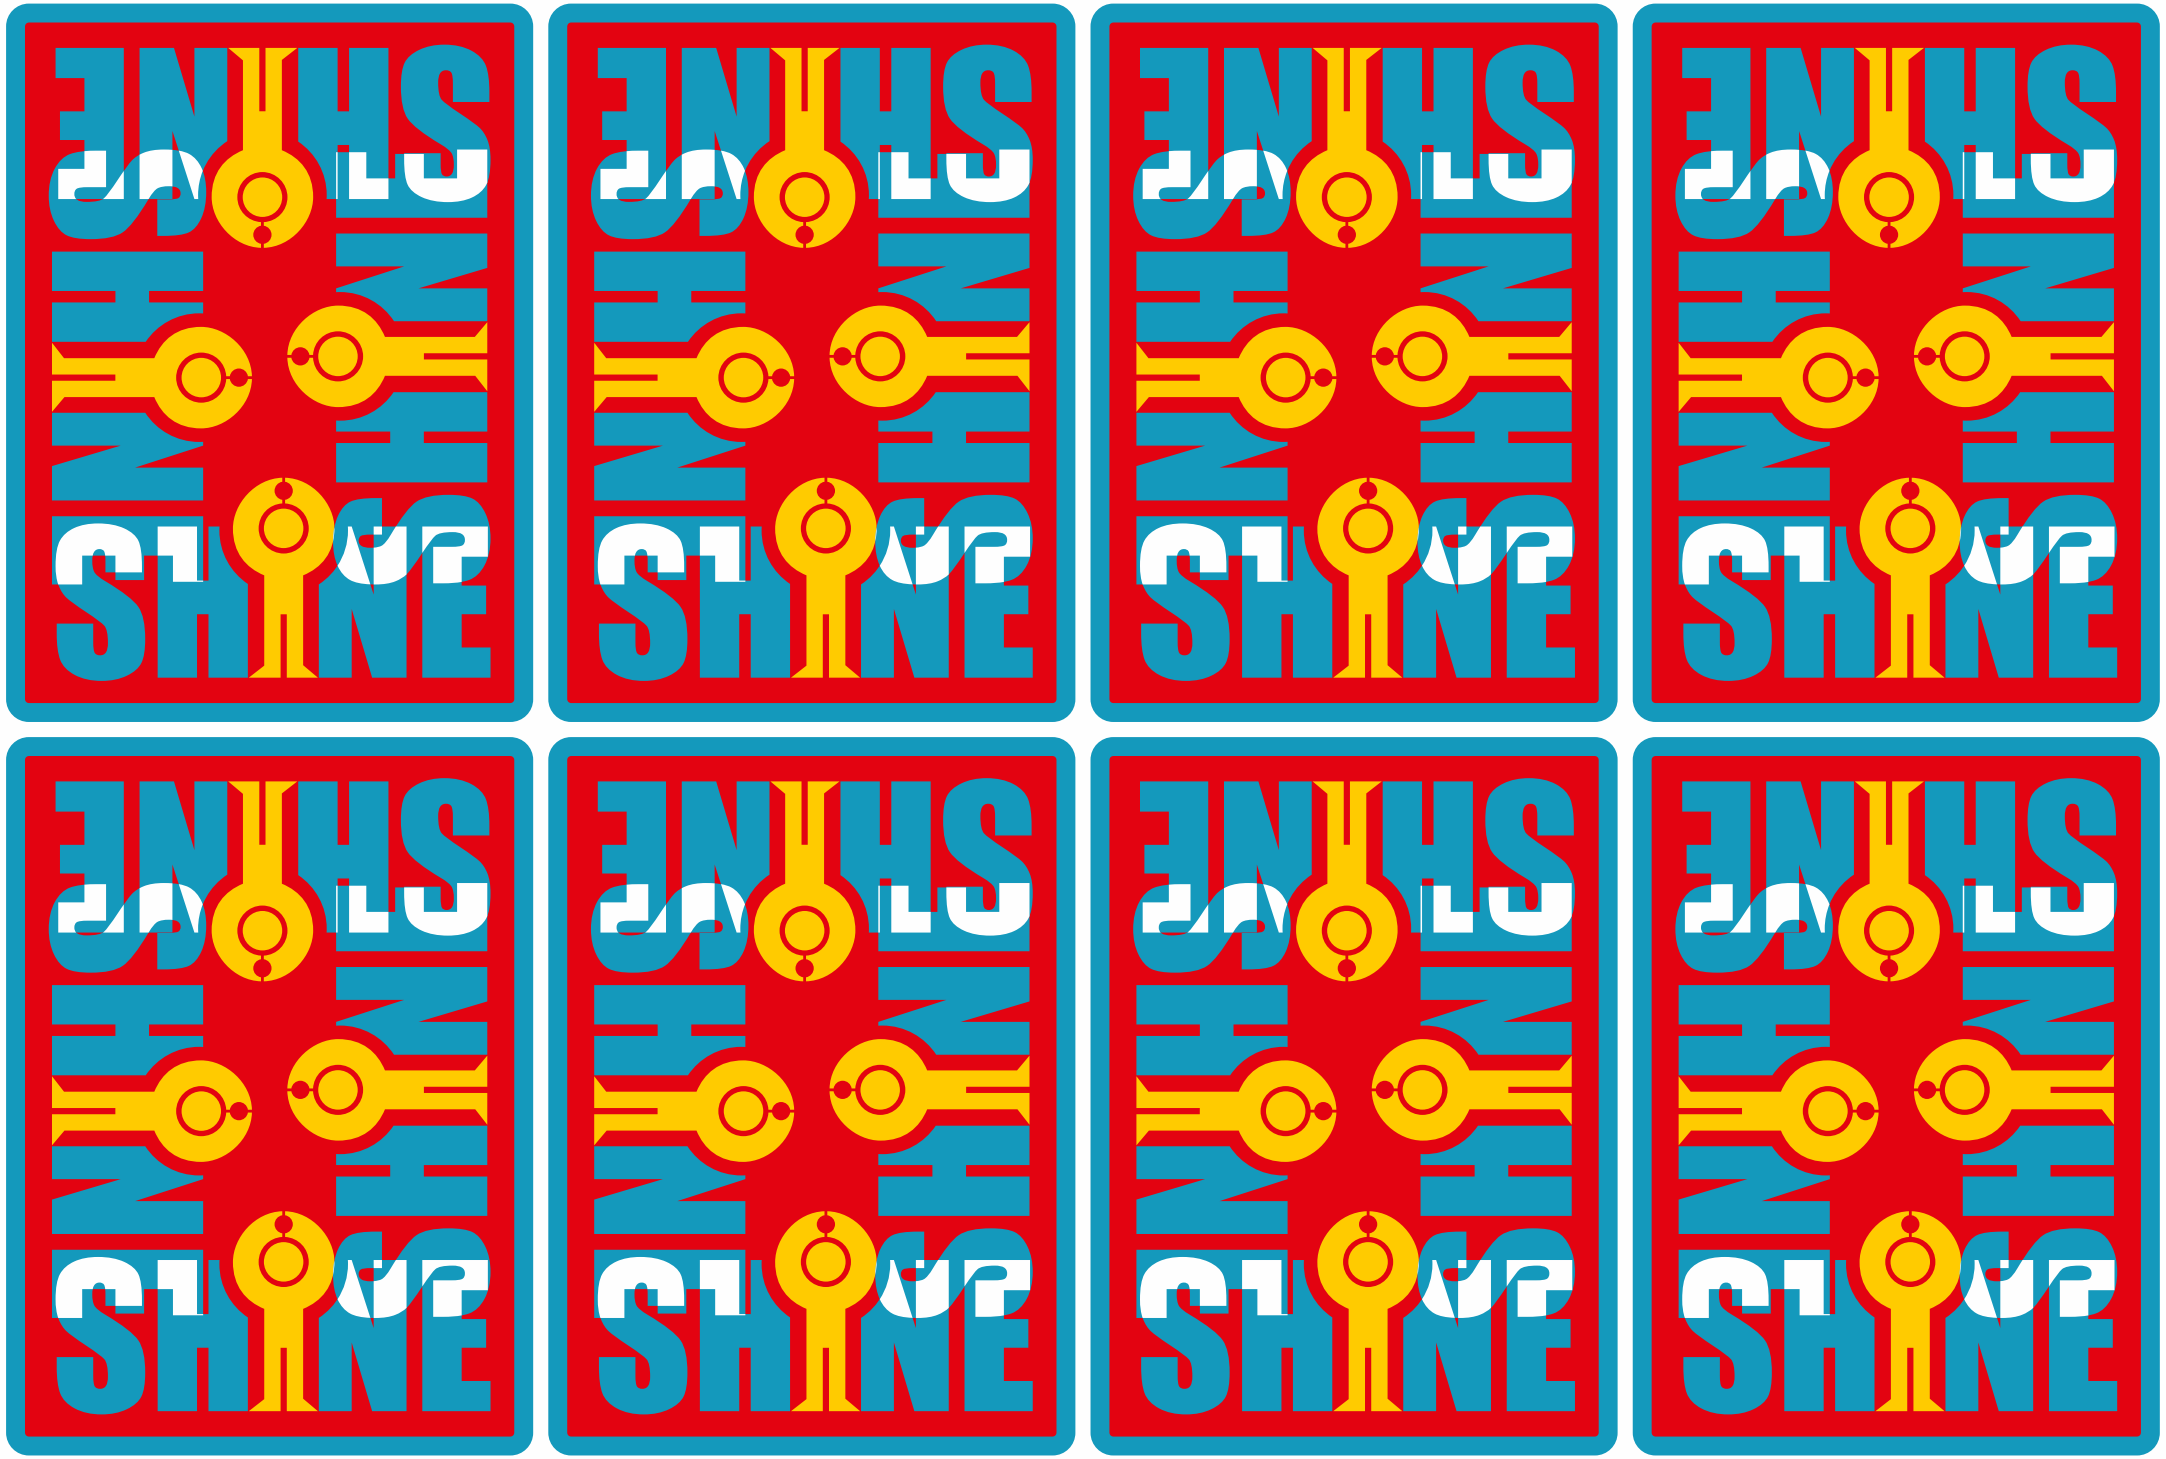

Is the future of democracy online or traditional?

blank
